FEBRUARY 2024

Congratulations to Hugh Wearing & Kira Davies, much deserved of their recognition of their work in our community. Thank you to all who attended our Maitland Citizen of the Year breakfast. The weather was amazing to have it held at The Maitland Markets again, both indoors & outdoors. The boys of Apex did not disappoint with their culinary skills on the bbq cooking bacon & eggs for all who had a big appetite! Of course these events cannot go ahead without the tireless work of all the volunteers behind the scenes. We thank each & every one of you from the bottom of our hearts.

# Maitland CHRISTMAS CELEBRATION

What a wonderful evening! We were blessed with the perfect evening to hold our 2023 Maitland Christmas Celebration, drawing together people from all over our community to shop, eat & share.

Guests were welcomed by MDPA President Roger Francis, and then entertained by talented locals Ivor Carter and Bev Battams. We were also privileged to have an extra set of Christmas Carols brought to us by Eternity Chapel.

A colourful parade of decorated bikes, trikes and prams led the Big Man himself - Santa - into town, with lollies for kids of all ages & the opportunity for a free photo. The carpark was filled with exceptional cars brought to us by MAPS.

Shoppers were treated to a talented array of stalls from local children, along with our regular markets, men's shed and a number of other stalls and food vendors. There was also face painting, mini golf, a movie & a number of free games for kids.

Maitland & District Progress Association

Putting Maitland on the map

We would like to thank Maitland Apex, MAPS, Lions, Rotary, Maitland CFS, Men's Shed, our Market volunteers & other members of the MDPA for their help in setting up, packing up & generally helping to make the evening a success. Looking forward to seeing you all again in December.

## MAITLAND HEALTH CENTRE

The Maitland Health Centre (MHC) board held its AGM on November 27th at 7.30 pm in the waiting room of its facility at Robert St Maitland. The health centre comprises two buildings adjacent to the hospital but independent of the hospital which are community owned and run by a governing board. This facility has been running since the late 1990s .

The MHC is a not for profit organisation run by board members on a voluntary basis, with all monies raised reinvested in the facility's upkeep. They employ a co-ordinator part time to help with its running and to oversee its accounts.

The main function of the board is to rent out the premises to medical practitioners, allied health professionals, government health agencies and an expanding dental facility. They oversee the upkeep of the premises and to expand its facilities where possible to provide other health services for Maitland and the surrounding community.

The Maitland community should indeed be proud of this facility for such a small community. Of course, such a facility would not be possible without donations from the public in the early days and to the hard work of volunteers.

Two such board members in Chairman Clive Kelly and board member Colin Sandercock were recognised at the AGM for their outstanding contribution to the MHC. Both have served on the board for over 15 years, their roles have been numerous, Clive as Chairman and Colin as a builder volunteering his expertise.

They have overseen and contributed their own labour to the expansion of the facility and most weeks can

be seen attending to the various maintenance issues or attending to the garden. They were presented with a plaque which is to be hung prominently on the waiting room wall to recognise their efforts.

Thanks to the efforts of people like Clive and Colin the MHC is in a strong position to grow and serve the community.

## From the Principal

Thank you to all the staff, students and families who welcomed myself and my family in preparation for 2024.

I believe that schools play a pivotal role in communities and I am looking forward to working collaboratively for the benefit of our students' and staffs' wellbeing. My aim this year is to also continue to improve students' literacy and numeracy students and ensure that CYS is a place where children and families feel proud to belong.

Congratulations to the 2023 Year 12 students for your excellent results, reflecting you and your teachers' hard work through the year and the support from your families. Congratulations also to Kira Davies for winning the 2023 'Young Citizen of the Year' and to Rhys Heinrich for being asked to join the National Student Voice Council. We're very proud of your achievements!

## SACE Results

Congratulations to the class of 2023! We are thrilled to announce that our 2023 DUX is Harrison Geater-Johnson with a raw score of 85.20. Following closely was Mitchell Brook with a raw score of 85.05. Central Yorke students achieved 100% SACE completion and were dedicated to their studies throughout the year. Over 80% of all Stage 2 grades were in the A/B Band. We wish our class of 2023 all the best as they enter their next chapter.

## 2023 SACE Results

**CONGRATULATIONS TO THE CLASS OF 2023!**

## **Kira Davies:**

### **Young Citizen of the Year**

Congratulations to Year 12 student Kira Davies for her nomination and win as the Maitland & District Progress Association's 'Young Citizen of the Year'. Kira has been involved in music and drama both at school and in the community for many years including her ongoing role as the ANZAC Dawn Service 'bugler'. We'd also like to congratulate Hugh Wearing for winning the Citizen of the Year.

## **Rhys Heinrich:**

### **National Student Voice Council**

Congratulations to Year 9 student Rhys Heinrich who will join the National Student Voice Council in 2024. The council represents students from across Australia and Rhys will be one of two public school students representing SA at the NSV. Congratulations again Rhys on an outstanding achievement!

## **Monica Turner Farewell**

Monica has been driving our school buses on various routes for nearly 40 years and so it was with great sadness we farewelled her in December on her last official day.

Monica has been a pillar of our bus-driving team and we - and our families - are sad to see her go. All the best in your 'driving retirement'. Monica, we have truly appreciated your work over all those years!

## 145th Maitland Show

Saturday 16<sup>th</sup> March 2024

Our 2024 Maitland Show is fast approaching and the committee has been working hard to put together a jam-packed program for the enjoyment of show-goers.

If you haven't already, it is time to start preparing your entries for the various competitions. Last year we had almost record-breaking numbers of entries in several categories. Grab a copy of the showbook which will be available in businesses around the YP and on our website in the next week or two.

Our office opening hours will be: Saturday 9<sup>th</sup> March 10.00am to 1.00pm Monday 11<sup>th</sup> to Thursday 14<sup>th</sup> March 2.00pm to 6.00pm, Friday 15<sup>th</sup> March 9am to 7.00pm. We encourage you to email your entries to: [maitlandshow@hotmail.com](mailto:maitlandshow@hotmail.com) or post to PO Box 183 Maitland SA 5573. Doing this will enable us to process entries more efficiently. Please check the closing date of the sections you are planning to enter as not all sections close on the same date.

Due to some confusion last year, I would like to draw photography entrants' attention to the required size of photos. All photos must be 5" x 7" except panoramic which must be 4"x12". The closing date for photographs is Saturday 11<sup>th</sup> March as they are judged off-site.

This year magician, Dane Certificate will join the line up of entertainment for show day. Dane is known as Dane Certificate in the world of illusion – an inventor and creator of wonders who has travelled the world with his magic. "The Great Dane" will bring his classic illusions and new magic for all ages. He will teach children a couple of tricks they can do themselves to amaze friends and family.

The Maitland Ute Muster will once again be a part of this year's show. We will welcome utes from all over the state for the Muster which is an opportunity for enthusiastic ute owners to show off their vehicles which are often personalised with a variety of items. There is a range of categories for ute owners to enter including best work vehicle, best classic ute, best chick's ute, as well as the champion ute.

We will again host a Young Farmers' Challenge and have a display of Vintage and Classic vehicles by the Maitland Auto Preservation Society.

The Jim Hermel Band will return to deliver dynamic versions of old classics and goodtime tunes that they have built their reputation on, rocking out vibrant songs. Don Morrison who has shared the stage with many of the biggest names in Australian music, is a songwriter, singer, guitarist, story teller, author and guitar maker. Don will bring his own brand of Australian Blues, Roots & Folk to the 2024 Maitland Show. Also in the entertainment lineup we have Harvest Moon who are a local acoustic duo from Minlaton. Meggie and Damien play a smooth mix of acoustic tunes. Plan to stay around for dinner on show day and soak up the ambiance.

Quadriders SA who wowed the crowd last year will be returning to do it all again. They will be sharing the Elias Smith Oval with the ever-popular Gary Baxter and his V8 utes which will once again be vying for a win at Maitland. The Rockabout 8m Rock Climbing Wall which has been very popular in previous years will be returning. As will the Animals Anonymous team. They will again be presenting a range of friendly Australian native animals. Don't miss their interactive animal display.

The show committee appreciates the Cougars Netball Club once again allowing us to use their courts on show day. This area will again house the very popular Kids' Zone. This is an area packed with many free activities for children to enjoy including Pedal Karts, Hula Hoop Toss, AFL/Soccer Darts, the Arena IPS, Axe Throw (Kids safe version), R/Control Cars and Remote-Control Truck Display. At the other end of the grounds in the School Shed we will have a kids play dough table and face painter. Outside of the School Shed kids will find a giant sand pit filled with toys.

This year, thanks to sponsorship from the Ardrossan, Maitland, Kiplings & Vili's Bakeries and Triple B Café at Wallaroo, the Maitland Show will be again hosting the popular Sausage Roll Competition. There is some great prize money on offer for the winner and 2 runners up of both the adult and junior competitions so its time to brush up on your sausage roll making skills.

As usual we will be running the CWA Scone Competition, the winner of which will go on to compete at Association level with a chance to compete at the Royal Adelaide Show. Information regarding this competition is also in the show book.

Maitland will host the semi-final of the Rich Fruit Cake Championship with the winner being eligible to compete in the State Final to be held at the Royal Adelaide Show in September. Further information on this competition is available in the show book.

Don't forget all the regular competitions such as: Export Lambs Competition, Sheep and Wool, Agricultural Produce Entries, Pets, Poultry, Pigeons, Jams, Pickles, Preserves and Produce, Novelty Eggs, Home Brewing, Garden Produce, Bill & Ben's Pumpkin Competition, Pot Plants, Cut Flowers, Floral Art, Needlework, Handicraft, Scrapbooking, Cardmaking, Photography, Models and Structures, Children's Section and Cookery.

If you are interested in entering any of these sections or wish to receive a show book please visit our website

[www.maitlandshowsociety.com.au](http://www.maitlandshowsociety.com.au) where the show book and entry forms will be available for download or contact Secretary, Karen Andrews by phone 0423020990 or email

[maitlandshow@hotmail.com](mailto:maitlandshow@hotmail.com) In addition, the show office phone (88322324) will be manned during the hours already mentioned during the week beginning Saturday 9<sup>th</sup> March. Family tickets must also be purchased prior to the day by phoning the Secretary or emailing [maitlandshow@hotmail.com](mailto:maitlandshow@hotmail.com) Family tickets will not be available at the gate.

At this time we are still finalising our show day program so it will be included in the March edition of the Maitland Matters.

## Bowen Therapy

Shirley Lands is training in her Cert 4 in Bowen Therapy and is looking for volunteers to finish her clinical hours. Bowen utilises small but measured inputs to the body stimulating the body to heal itself.

Bowen usually results in the relief of many specific injuries and other health problems, both acute and chronic. It does so holistically, by using the body's innate healing mechanisms. The practitioner delivers signals to the nervous system at specific locations (on muscles, tendons, ligaments, or nerves), and the body does the rest, responding in it's own time, as it is able. It can benefit relief of tension, sore back, stiff necks just to name a few.

The Bowen technique allows the body to heal itself with minimal intervention.
