Our next scheduled meetings are on Sunday 24th March and Sunday 7th April 2024. Meet at 9am in the Maitland Hotel Car Park.

Fellowship is encouraged after our work meetings.

If anyone wishes to donate their cans, cartons and bottles, they can be lodged in our container which is located at the western end of our local council depot.

Saturday 16th March was the 145th Maitland Show. It was a fantastic day with excellent weather to suit. The show was open by the Royal Agricultural and Horticultural Society of South Australia Councillor, Belinda Cay.

The Maitland show would like to thank the very hard working show committee and volunteers for all their hard work, organising and planning an incredibly successful show as well as the community that not only supported the show on the day but also the many sponsors that make the day possible.

Polygala myrtifolia / Myrtleleaf Milkwort

Polygala myrtifolia is a garden escapee that infests the area in the Dhillba Guuranda – Innes National Park between Stenhouse bay and the park entrance near Marion Bay. It occurs mainly in the low coastal shrubland and highly disturbed areas. *Polygala* outcompetes native plants and reduces the vegetation condition which impacts the functionality and habitat quality of the native ecosystem.

Generally *Polygala* seeds are dispersed by ants however, spread is quicker on roadsides so road verging, grading, as well as water runoff may be contributing factors.

Polygala is a declared weed and land managers are obligated to take reasonable steps to kill plants and prevent its spread. If unmanaged, *Polygala* has the potential to spread further South West into the park (towards Gulawulgawi Ngunda Nhagu/Cape Spencer Lookout) and compromise large areas of good condition low coastal shrub land. This could negatively impact the availability of suitable habitat for many of the important native animals who make their homes in the park.

These *Polygala* working bees form part of a larger strategic plan to confine the weed to its current distribution in the park. This also involves work by Rangers, Volunteer Rangers, Seasonal Fire Crew, School groups and contractors. Treatment methods by volunteers will likely involve hand pulling and cutting and swabbing. Working bees will be adapted to be suitable for people with varying individual physical abilities however the ability to walk on uneven surfaces is required as well as the wearing of closed in footwear.

Maitland Rifle Club

On the 17th of March 55 members, former members and respective partners gathered at the Yorke Valley Hotel to celebrate the 75th anniversary of the formation of the Maitland Rifle Club which received official permission to form a rifle club from the army in April 1948, subsequently approval to "proceed with shooting practices" was granted 9 December 1948 and the first official shoot took place on the 5 February 1949.

We were lucky to have eleven past members travel from as far away as Brisbane, Adelaide, Coomandook, Strathalbyn and northern YP to join with us and help mark the occasion.

Captain Roger Francis welcomed everyone, read out the apologies who couldn't make the afternoon and also read the names of current Life Members present.

A display of the club's championship trophies along with photos going back over 50 years showing all manner of milestone events in the clubs past, plus a video montage of historical photos playing on the big screen added plenty of interest to the afternoon.

We waited till everyone had finished their meal then called on Peter Hill who joined MRC in 1954 and left Maitland in 1973 to go farming in Queensland to reminisce on his time in the club in the early years.

Eric March then gave us a brief rundown on his time in the club re team shooting and being coached as new shooter, his time with us culminating around 1973/74.

Current member Bill Gillis, who joined the club in 1973, then gave us an insight into some of the major upgrades to our facilities and accomplishments in team shooting in state wide competitions.

Roger Francis then touched on a few of the memorable things that happened in the early 70s as well, noting that as a club we are lucky to be a tight knit group with many talents which help to keep the club functioning in an admirable way, also recognising the important trophy sponsors we have supporting the club.

With the official part of the afternoon over we took the opportunity to have photographs of the visiting past members and then the current members who were present, followed by a bit of catching up and socializing. Thanks to all who attended.

SACWA Maitland Branch Update

Our February meeting had sad news in the passing of Life Member Ruth Eglinton. She will be missed along with her friendship, insight, quizzes, funny jokes and lovely sandwiches. Two years ago Ruth received a 70 Year Membership Award and was also acknowledged for her contribution to the association, including the positions of office that were held. Our deepest sympathy goes out to all of Ruth's family.

March meeting was Floriculture/Garden Day and the few members that attended had the privilege of hearing guest speakers from the Maitland & Districts Garden Club. Rex Herde (Zone Coordinator & Treasurer) with the assistance of Vivienne Illman (Vic President) spoke of how the club started and had been going for 34 years and is affiliated with Garden Australia and Floral Designs Society. Maitland & Districts Garden Club is active with the show and they are happy to help anyone with show presentation. Some examples of multi bloom and single bloom flowers were brought along on the day and talked about, followed by questions. Garden Club meetings are held to learn, enjoy or visit local gardens. Not everyone needs to be a gardener and with eleven members at present, is always looking for more, so if interested contact secretary Susan 0408499899.

Our SACWA meetings have changed to the 2nd Monday of the month and as there is no meeting in April all ladies welcome to attend on Monday 13th May at 2pm at St Paul's Lutheran Church Hall for "Bring A Friend" month.

Uniting Church

Induction Service for Pastor Brenton Smith was held at Maitland Uniting Church with many members attending from across the Yorke Peninsula, and also from other churches. A lovely service conducted by the Moderator, Rev. Peter Morrell, and the address given by Rev. Robertson. It is always wonderful to hear the music and singing when the Church is nearly full.

We welcome Pastor Brenton Smith and his wife, Chris, in the role of Mission minister for the Yorke Peninsula Regional Mission. He will reside in Moonta but will travel all across the Yorke Peninsula so you are sure to meet up with him one day.

Rev. June Ladner is doing the northern section of YP while Rev. Sandy Webb is on sick leave and Rev. Jane McDonald is doing the southern end part time with Chris Smith and Pastor Brenton Smith, while Pastor Andrew is on sick leave. All Church services are covered between our ministers, lay preachers and others willing to help out. Thankyou to all of you.
