# WHAT'S NEW AT THE MARKET

*Open on the following  
Saturdays in May  
11th, 18th, 25th  
plus every Thurs & Fri  
10am-2pm*

**As the weather cools down things are in no way slowing up at the Maitland Markets. We have had a wide range of new products and sellers who have joined us recently. To help give you the opportunity to visit, we are opening some Saturdays as well as our regular Thursdays and Fridays, 10am - 2pm each day.**

A banner for National Volunteer Week Resources. The background shows several hands of different skin tones reaching up and forming a heart shape. The text 'National Volunteer Week Resources' is overlaid in white. At the bottom, there is a breadcrumb trail: 'You are here: Home / Get Involved / National Volunteer Week / National Volunteer Week Resources'.

In May we celebrate the work of the many volunteers who contribute to the Maitland community. Without them there would be some important services missing in our area. There is such a wide range of volunteer roles involving people in a broad range of age groups and backgrounds. With so many in Maitland chances are you already are or know a volunteer. National Volunteer week is an annual celebration and this year it is from the 20<sup>th</sup> to the 26<sup>th</sup> of May and is themed '**Something for Everyone**'

Here are just some examples of the volunteer roles available in Maitland. The South Australian **Country Fire Service (CFS)** and South Australian **State Emergency Service (SES)** are the two volunteer agencies that provide emergency services support to our communities. These emergency service volunteers play a vital role because they are willing to protect our community in times of natural disasters and emergencies.

Emergency service volunteers carry out a range of different roles. These include: Conducting searches, fighting fires, operating radios, helping contain chemical spills, dealing with storm and flood damage, road crash rescue, marine rescue and providing support to the Metropolitan Fire Service (MFS), **South Australian Ambulance Service (SAAS)** and South Australian Police (SAPOL).

There are many benefits to this type of volunteering with the necessary training and equipment to carry out the role provided, as well as opportunities for meeting new people, developing teamwork and leadership skills and having fun.

Did you know that your local ambulance service (**SAAS**) is staffed by volunteers? There are no paramedics based in Maitland but an enthusiastic team of volunteers who undertake regular training to have the clinical skills to man the ambulance. They roster themselves when they are available but can undertake day to day activities unless they are paged to respond to an ambulance case. Most patients are people with chest pain, breathing problems or pre-existing medical conditions. Of course they sometimes have to deal with serious injuries but these are a small portion of the work. Training prepares them for these situations. No previous medical knowledge is required and this is a great way to meet new people and develop new skills that are extremely beneficial in everyday life.

Other medical related roles include those on the YP health advisory board, the health centre board and the CYP Friends of the Hospital. Maitland also has a volunteer Meals on Wheels service available for those who need it. Keen to help and have an interest in retail? **Vinnies**, the Society of St Vincent De Paul has a store in Maitland and is always looking for more helpers. The society aims to make a real difference in the lives of people who are disadvantaged or living in poverty. The Vinnies store supports their projects. There is also the **Community Corner Op Shop** run by the **Progress Association** with proceeds going back in to the community, as well as the **Maitland markets** which are on every week also offering morning teas and a place to meet with friends. Near the markets you will also find the **Men's Shed**.

Or is it the **Maitland Show** that interests you? This annual event on the third Saturday in March is planned, organised and run by a team of dedicated volunteers. There is a wide range of roles such as managing entries, convening the many competitions, judging entries such as cakes, jams, needlework or flowers, organising the Ute Muster or the Young Farmers Challenge, helping in the Pumpkin Kitchen, mustering the street parade or ground crew setting up and pulling down stalls etc. This major town event is run solely by volunteers. They are always looking for extra help on the committee.

The **Apex, Lions, Country Women's** and **Rotary** Clubs are all well known as important service clubs whose activities include fundraising projects, awareness raising, support for those who need it, as well as fellowship. Their work goes beyond the local community fostering goodwill, co-operation and understanding. They also help at community events such as ANZAC day, Christmas markets and the Show. All are seeking new members to carry on this tradition and support them in their many projects. History buffs can get involved in the **CYP National Trust branch of the Maitland Museum** and help to preserve and also share this valuable history.

Contact information for many of these organisations can be found in Maitland Matters.

So let's celebrate our volunteers in May. This special event is an opportunity to highlight the important role of volunteers in our community and invites people not currently volunteering to give it a go. It is a celebration of the diverse passions and talents everyone brings to volunteering. Whether you're drawn to environmental causes, community welfare, education, sport or beyond, there's a place where your unique skills and interests can flourish.

Let's come together during National Volunteer Week to showcase that volunteering offers 'Something for Everyone'.

## MAITLAND & DISTRICTS GARDEN CLUB INC MARCH ACTIVITY

In March members of the Maitland & Districts Garden Club Inc gathered, along with members of Maitland U3AYP, Minlaton Garden Club and host, Ardrossan Garden Club, at the late Jamie Smith's magnificent garden. Paul Dipuglio from Neutrog came along and spoke about the great South Australian success story that Neutrog is. He had free samples of Go Go Juice and Seamungus to handout to attendees. Helly Smith welcomed everyone and spoke about when she and Jamie first moved there and the initial changes they made to the garden. John Bradshaw of the Rose Society spoke about how Jamie's garden was established before members getting a great walk around the delightful surrounds. A brilliant outing for all.

## Granny Mays Cookery

### **Baklava Bliss Roles**

1 cup pistachios

Plus extra 1/2 cup chopped finely

250g dried figs

1/4 tsp ground cinnamon

1/4 tsp orange blossom water

1 cup almonds

1 cup walnuts

1/4 tsp ground cloves

zest of one orange

1/3 cup honey

### **Method**

Place all the ingredients in a food processor and whiz until mixture comes together and is smooth.

Using slightly damp hands roll a tbsp of mixture into balls.

Place extra chopped pistachios in a shallow bowl and roll each ball in the nuts and coat.

Serve immediately, or keep in an airtight container in the fridge for up to a week.

# MAITLAND VINNIES SHOP BLESSED

Principal Celebrant Archbishop Patrick O'Regan DD

Friday February 16, 2024

12 Robert Street, Maitland, SA

The St Vincent de Paul Maitland Centre made the short move across the road last year, re-opening in a fresh new space, and on Friday 16th February Vinnies held a re-dedication and blessing to mark a new era.

The St Vincent de Paul Maitland blessing

Over 30 people, including key figures from the St Vincent de Paul Society and the Yorke Peninsula community, convened for the occasion. Notable attendees included Vinnies CEO Evelyn O'Loughlin, Riverland/Yorke region St Vincent de Paul President John Fewster, Fraser Ellis MP (Member for Narungga), Trevor Clerke of the Yorke Peninsula Council, accompanied by his wife Lyn, Father George Ochola Oluoch visiting from Kenya, and numerous dedicated volunteers from the Maitland Vinnies Centre. The event commenced with Ian Harradine from Wurrtoo Cultural Services conducting the Welcome to Country and Smoking Ceremony. Archbishop O'Regan led the ceremony, which concluded with the unveiling of a plaque and ribbon cutting, symbolizing the dawn of a new era.

Fraser Ellis MP and Evelyn O'Loughlin, shared words emphasizing the importance of Vinnies in providing support to the community, sharing thanks to dedicated volunteers and members.

Following the formalities, attendees gathered for afternoon tea and had the opportunity to explore the shop and purchase some well-priced goodies.

If you are interested in volunteering for the Maitland Vinnies Centre, please contact the Vinnies Volunteering Team on 8112 8700 or email [volunteering@svdpsa.org.au](mailto:volunteering@svdpsa.org.au)

## **No Parking Problems**

Recent community feedback has indicated there are concerns that a Yorke Peninsula Council car park rule was preventing new businesses from being established in the Maitland main street district. Council has provided the following information to clarify a number of misconceptions in relation to parking.

Firstly, there have been no new business applications in Maitland refused due to parking requirements.

New businesses are encouraged by Council and can be facilitated in most existing buildings within the main street. Except where it is a food related business (which have a number of additional health requirements), approval is often not required to open a shop where the previous use of the building was a shop; however, it is best to enquire with Council before starting a new business venture to receive assistance and guidance on the above.

In circumstances where development approval is required from a new business, parking is a consideration, although not being able to satisfy the on-site vehicle car parking requirements does not necessarily prohibit the development, and assessment will take in to account the availability of on-street car parking and shared use of other parking areas.

To reiterate, no new business applications in the Maitland main street have been refused due to parking.

Further to this, Council has endorsed a Maitland Main Street Master Plan that will look to develop and improve parking and pedestrian access in support of local businesses in the town. Council is actively seeking grant funding to bring this project to fruition and help the Maitland business district thrive.

Council also offers a wide range of additional business support including Business Grants, assistance with State/Federal grants, workshops and networking opportunities. For more information, contact Council on 8832 0000, visit the business section on [yorke.sa.gov.au](http://yorke.sa.gov.au) and subscribe to the Yorke Peninsula Council Business E-News.

# MAITLAND TIDY TOWNS

Recently twelve out of our fifteen Tidy Town Members attended a working bee on Sunday 7th April working from 9am until noon cleaning the dead trees, leaves and other materials.

The Maitland Tidy Towns started operating eight years ago, with Mark Hector and myself and over the past three years the Hotel Maitland have sponsored us by feeding our group after working bees. Therefore, on behalf of our Tidy Towns Group we are very thankful to the Hotel Maitland for looking after us. They are now finishing up with pub life and moving onto another chapter of their lives.

To Cindy and Neil Barnes and family we wish you all the best for the future.

# SACWA Maitland Branch Update

April we didn't have a planned meeting but sadly our members gathered at the funeral service of member Rosalie Smith on Thursday 4<sup>th</sup> April and along with about another twenty SACWA members formed a guard of honour outside the Minlaton Uniting Church after the service. Our deepest sympathy goes out to Rosalie's family and she will be greatly missed at our meetings along with her friendship, vast knowledge, organizational skills and secretarial skills. Rosalie held the role of secretary at Maitland Branch when she passed away and had held positions at Group and State levels and conceived the idea of "An Apple a Day" recipe book. She received her 20 year service award in 2021 which was celebrated at the Maitland Branch Awards Presentation meeting in February 2022.

Rosalie passed away only six weeks after the passing of Life Member Ruth Eglinton so the SACWA Maitland Branch now has a real feeling of emptiness at the meetings. As a branch with a small amount of members, and now even smaller, we wonder of what will happen next?

Our meetings are held 2nd Monday of each month at 2pm at the Maitland Lutheran Church Hall and all ladies are welcome to attend, with our next meeting on Monday 13<sup>th</sup> May, Bring a Friend Month – Prose, Poetry and Party!

Maitland Branch is not all about craft and baking (workshops are available though), it's about friendship and community.

See you at our meeting,  
Cathy Hibbard  
President

# Maitland wins four Premierships

It was a magnificent day for Maitland Football Club last Saturday at Moonta when it took premierships honours for four grades, with successes in the Mini, Junior and Senior Colts, as well as the B Grade.

This effort sent officials scurrying for their record books in an attempt to find out when, if ever, this was last achieved.

Congratulations must go to club officials and supporters along with the coaches and lads playing in these games for the effort they have obviously given to the game this season.

It is to be hoped that the Maitland Football

Club can maintain these lads and that they eventually go on to strengthen the A Grade side.

### COACHED BY PRESIDENT

The Mini Colts, coached by club president Bob Honner, won their premiership after losing one game and drawing another for the season — both against their grand final opponents in Wal-laroo.

The Junior Colts, coached by John Arthur, remained undefeated for the year and showed in the grand final that they were clearly the best side in the competition.

The Senior Colts, with Allan McCauley at the helm, were the only team to defeat their counterparts at Ardrossan during the minor round and, with all players available for the grand final, accomplished this again on Saturday.

The B Grade, looked after by club assistant coach Adrian Kraft, finished the minor round in third position and had to beat Kadina for the first time for the season to win the premiership. They did just that.

Congratulations again to Maitland. Their teams made 10 finals appearances this season and won each of them.

The clubs AGM was held on Tuesday night 16<sup>th</sup> April and the new president for the 24-25 season is Tony Moustrides. Other new faces on the Administration committee are Terry Wuttke VP and Denise Hallion. The meeting was well attended by both men and lady members. A delegates' meeting was held on 22<sup>nd</sup> April to vote in the recommendations for the 24-25 season. I believe there may be some definite changes for the good of bowls in this region.

Only one of our lady members, Megan Falco, travelled to Adelaide to play in the singles Country week competition. Well done. She played her 3 matches only winning 1 game but met local player from Moonta, Sharon Cavanaugh, and put up some strong opposition.

On Sunday 7<sup>th</sup> April, Tony Moustrides and Richard James played at Stansbury in the Region 2 pairs Champion of Champions event. The two players from Yorketown Massimo Castiglia and Michael McCallion were defeated but the supporters who were there enjoyed a well played game by our guys in ideal conditions. Well done.

Four ladies named "The Maitland Chicks" Megan Falco, Cathy Hibbard, Denise Hallion and Pam Gloyn played in the fours in the Masters games at Wallaroo. Cathy and Megan also competed in the prs. They didn't bring home any trophies but had a great time. Well done.

Lindsay Harper and some club members have also been busy since bowls finished with work on and around the greens. The bar manager and the ladies are still busy due to Rotary nights all year round, so be prepared, you may get a call to help out in some way.

## Premier's ANZAC Spirit Prize

Year 10 student Rhys Heinrich travelled to Vietnam this month as part his Premier's ANZAC Spirit Prize.

The competition provides young South Australians with the opportunity to examine and empathise with the remarkable sacrifices of South Australian service men and women during the 20th century.

The trip included a visit to the Vietnamese Orphanage School and all of the twenty award winners raised much needed funds to support the school in its work with disadvantaged children.

Congratulations to Rhys on his award, for his fundraising \$669 for the Orphanage School and for representing CYS in Vietnam.

## Cows for Cambodia

Senior Ag Teacher Jaynelle Le Feuvre was also in Asia during the holidays, with a trip to Vietnam with 'South Aussie with Cosi' presenter Andrew Cosi Costello.

The trip was definitely a working holiday with tour members helping build a house, distribute rice and help with the 'Cows for Cambodia'. Jaynelle also delivered rice donated by CYS, worked with students at the local school and toured agricultural facilities.

## YEAR 12 MENTORS

We hosted a great morning tea for mentors, students and Year 12 family members in the school's senior suite.

The special get together included staff, students and parents and was an excellent opportunity to build relationships and connections.

## 2/3 STEM - MAKING FOSSILS

The Year 2/3 class are studying fossils and how they are formed. They made imprints of fossil skeletons in sand, made paper moulds around them and poured plaster to create their fossils.

A big thank you to Di Morgan for also providing a collection of real fossils for us to examine and explore.

## CAPTAIN STARLIGHT

Superheroes from the Captain Starlight foundation visited the school with health professionals, in the last week of term.

Their Healthier Futures Initiative works with community health clinics to provide positive distraction for kids through song, dance, games and storytelling. Our two superheroes were fantastic, engaging with the students in fun lunchtime activities.

## ELC VISIT TO PORT VICTORIA

We had the best time on our excursion to Port Victoria and Point Pearce in the last week of the term. We played playing on the wawa (beach) and were lucky enough to see a yambu (dolphin).

The children made some great friendships from across both campuses and we can't wait to see where our adventures will take us next term.

LIFE IS SHORT, BUT THE TOUR IS LONG... AND HILARIOUSLY PAINFUL!
